

## PRODUCT INFORMATION

The well-crafted and well-designed TRUELITE™ is a contrast enhancing daylight desk lamp that utilizes the latest LED technology from Samsung. Due to this state of the art technology the light quality is superb and provides glare free lighting over a large surface. The 6000K produce lighting that is similar to daylight and bring total clarity to color reading.

TRUELITE™ is equipped with a touch dimmer function so that the user can set the light strength after mood, work tasks etc. The built-in diffuser is unique in its construction and spreads the light over a large footprint.

The lampshade is made of hollowed out aluminum with a special pattern that creates even spread of the light. The arms are jointed with aluminum alloy material, which brings unprecedented stability and adjustability with great counterbalance. Simple, elegant and up to date design offers easy power cord management.

The TRUELITE™ material and it's surface treatment creates a delicate touch of superior quality. Recyclable material could be reused after recirculation processing. The long life span is consistence with the spirit of green design.

## SPECIFICATIONS

- Light source: Samsung LED.
- Technology: LGP (Light Guide Panel).
- Material: Environmentally friendly, aluminium, metal and ABS.
- Consumption: 9 watt.
- Kelvin: 6000.
- Lux: 1300 (400 mm).
- Touch Dimmer: Yes; 30%, 60%, 100%.
- 50 000 hours of operation.
- Total length: 1070 mm (Arm length: 820mm).
- Certificates: CE, RoHS.
- Shipped with table clamp as standard. Freestanding table base available as option.
- Packaging: Single, master box of 12 units.
- Art.No:
  - 105501: TRUELITE™  
(GTIN13: 7350042900466)
  - 105000: Freestanding Table Base  
(GTIN13: 7350042900473)
  - 300304: Spare Adapter, CEE
