

SUN-FLEX® EASYDESK ELITE

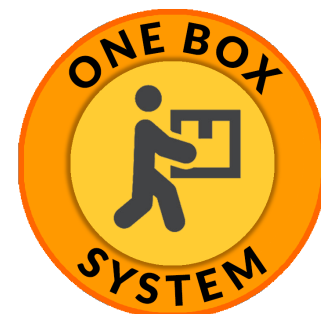

SUN-FLEX®

Active Workplaces

PRODUCT INFORMATION

SUN-FLEX® EASYDESK ELITE sets a new standard in height adjustable desks. A compact desk delivered partially assembled in A SINGLE package in line with the ONE BOX SYSTEM created by SUN-FLEX® to eliminate the need for separate packages for the frame and desktop. Everything delivered in a single package! Developed in Sweden, guaranteed top quality and designed to meet the stringent demands that apply. The motor is encapsulated in insulating material to ensure a non-intrusive noise level, even in open-plan offices. The best way to work with SUN-FLEX® EASYDESK ELITE is to use our app that is available from the App Store or Google Play. Download the app to your smartphone and use it to set up your new workplace to match your personal wishes and requirements. You can adjust the height, set reminder functions, compile statistics and more – and all these options are available in nine languages. The height-adjustable desk can also be operated via Memory Control Panel, which has four individual memory settings and LCD display. Thanks to its compact format, SUN-FLEX® EASYDESK ELITE is the ideal choice for both conventional office layouts and home offices. The desk is available in three classic colours – silver/grey, white or black – to provide flexibility in furnishing design. Working ergonomically should be easy: SUN-FLEX® EASYDESK ELITE!

**Complete desk
in a package!**
