

## PRODUCT INFORMATION

SUN-FLEX® EASYDESK RISE is a stand up workstation that turns any flat surface, into the perfect work desk and with 10 different individually adjustable height positions, it gives the right working height, wherever you stand. SUN-FLEX® EASYDESK RISE makes the workday easier, healthier and more comfortable, whether you work at home, in the office or anywhere.

With the SUN-FLEX® UP-DOWN-IN-SECONDS system, you create a **complete ergonomic workplace** quickly.

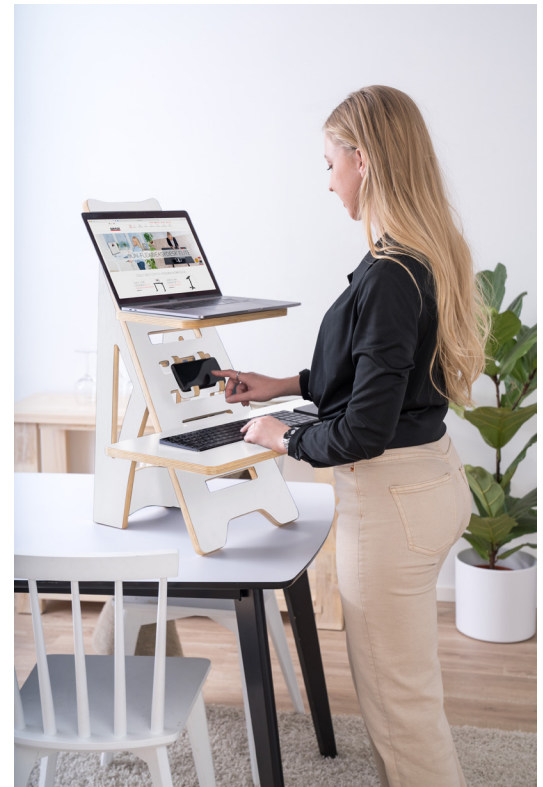

You set up the stand in a **few seconds**, and take it down at least as fast, taking up little space. With two shelving, one of which is large enough to fit with both an external keyboard, mouse and, for example, note paper, and with hanging

hooks for iPad and or phone, you get a complete workstation in one package.

**All parts are included.**

With solid material, stable construction with locking device, SUN-FLEX® EASYDESK RISE can withstand high loads without sacrificing either stability or safety. The desk is available in two versions: Natural Black or Natural White.

**Complete product solution** with two shelving surfaces and hooks for iPad and / or phone.
