

StandMat™ Textile

PRODUCT INFORMATION

SUN-FLEX® StandMat™ Textile is a smart and modern functional standmat that creates healthy posture and prevent back problems, foot and leg discomfort and back issues. Usable with regular shoes, barefoot or high heels and due to textile propylene surface it is very comfortable.

SUN-FLEX® StandMat™ Textile functional mat, has a soft yet firm enough core in environmental friendly polyurethane material for optimal support and long lasting ergonomic prevention. With it's surface in designed textile polypropylene it blends in into the modern office with height adjustable desks, receptions and public areas.

SUN-FLEX® StandMat™ Textile is equipped with an eyelet so as to easy hang up with the SUN-FLEX® Hook on the desk when not in use.

The eyelet together with the SUN-FLEX® Hook also makes the SUN-FLEX® StandMat™ Textile the first choice for activity based offices.

Due to the choice of materials in this functional mat it is 100% free from PVC and phthalates and thus makes it the obvious choice for the environmentally concerned.
