

PRODUCT INFORMATION

SUN-FLEX®DESKFRAME VI is a newly developed sit/stand desk support designed to encourage more movement at work. With this high-quality, height adjustable desk support, you can adapt the desk to match your preferences. The carefully considered design allows you to adjust the support to suit your new workplace – or upgrade your existing one. SUN-FLEX®DESKFRAME VI is made of robust material, ensuring optimal stability and function. The motors are encapsulated in insulating material to guarantee a non-intrusive noise level, even in open-plan offices.

SUN-FLEX®DESKFRAME VI is simple to control using the easy-to-access, intuitive controls at the desk edge.

It should be simple to work ergonomically.

Intuitive control
