SUN-FLEX®EASYDESK ADAPT

Newly developed

SUN-FLEX®EASYDESK ADAPT is a range of electric height-adjustable desks designed to encourage more movement at work. The high-quality, height-adjustable desk frame combined with a desktop of your choice allows you to adapt the desk to suit your preferences.

Simple

The SUN-FLEX®EASYDESK ADAPT flexible product system makes it easy for you to order the model you want at the click of a button – everything is supplied complete!

Easy to adjust

All desk models are simple to operate using a complete, easy-to-access hand control unit featuring memory functions, or with the SUN-FLEX® app that you can download to your smartphone from the App Store or Google Play.

With the app

You can use the app to set up your new workplace to meet your personal wishes and requirements. You can use it to adjust the height, set reminder functions, compile statistics and more – and all these options are available in nine different languages.

Quality/Warranty

All components used in SUN-FLEX®EASYDESK ADAPT are made of durable materials, with the emphasis on quality in every stage of the design and manufacturing process. A five-year warranty is included. Naturally.

One item number.
One click of a button.
54 perfect desks.

SUN-FLEX®EASYDESK ADAPT II

The SUN-FLEX®EASYDESK ADAPT II makes it easy for you to vary your working position during the day between sitting and standing. The consistent quality, the design and the functions allow you to set up the ideal workstation. The motor is encapsulated and extremely quiet, which contributes to a pleasant working environment. Use the control panel with its LCD display and memory functions or the SUN-FLEX® app to vary the set-up to match your preferences.

SUN-FLEX®EASYDESK ADAPT VI

With double motors and three-section legs, SUN-FLEX®EASYDESK ADAPT VI provides truly extraordinary strength, height adjustment and performance. The control panel gives you access to all the functions and enables you to manage your reminders – or you can use the SUN-FLEX® app instead, which also provides statistics and more.

SUN-FLEX

SUN-FLEX®EASYDESK ADAPT is always supplied as a complete package featuring frame, motors, control unit and desktop. You know what you need, so the click of a button is all it takes to choose your perfect desk.

All in a single item number.

DESKTOPS

SUN-FLEX® supplies desktops in high-pressure laminate.

A special surface treatment called “Smoothtouch Matt” helps minimise glare from ambient lighting in line with the EN ISO 2813 standard.

The desktops are tested and approved in accordance with the EN438-2 standard and meet stringent quality requirements.

Desktops are available in three colors – grey, white and birch – and in three sizes: 1200 x 800 mm, 1400 x 800 mm and 1600 x 800 mm

SUN-FLEX® – Genuine materials make authentic, high-quality products.
