

Laptopstand Portable

PRODUCT INFORMATION

The INZONE™ Laptopstand Portable offers different height and angle settings, adjustable in width and at the same time offers a “cooler” function for the actual laptop computer. Due to its construction the SUN-FLEX® Laptopstand Portable is extremely suitable for tablets.

The product is very well engineered and is made of aluminium and ABS plastic in order to maintain a very low weight.

The SUN-FLEX® Laptopstand Portable is the smallest laptop stand on the market and comes in a black neoprene carry case that doubles as a mouse pad.
