

## PRODUCT INFORMATION

The StandMat™ is a premium comfort solution engineered and designed to prevent back problems, foot and leg discomfort and lower back issues. It is made for comfort, creating the ultimate anti fatigue mat for the office, light industry, counters, airports, pharmacies, banks or any area where standing.

The StandMat™ is meant for use in dry areas.

Due to the balanced and proven softness in the StandMat™, the possibilities of the ever so important micro movements increases. Micro movements stimulate increased blood circulation in the feet and the lower extremities and thus prevent fatigue, soreness and overall discomfort.
