

SUN-FLEX®

SUN-FLEX®

FOREARMSUPPORT PRO

PRODUCT INFORMATION

The SUN-FLEX®Forearmsupport Pro sets a new and pioneering standard for forearmsupports.

It is an ultrathin forearmsupport with soft and sturdy support for the forearms.

Thanks to the new and pioneering design, it is a superb solution for people working with keyboards and centralized pointing devices.

For traditional mouse work the SUN-FLEX®Forearmsupport Pro is the ultimate choice.

The multiple adjustment possibilities makes the SUN-FLEX®Forearmsupport Pro a perfect fit for any desk no matter thickness, frames, corners or rounded shapes.

The attachment clamps are shipped with different screws for individual choices.

The materials in the SUN-FLEX®Forearmsupport Pro are carefully selected to give optimal relief.

The top layer has micro pores which makes it easy to clean and even disinfect.
